(“cc” indicates that this item is currently on the draft consent calendar)

Please note the assignments for Primary and Secondary reviewer as these groups will be responsible for gathering feedback from the other Areas/Assembly Groups and presenting it to the Assembly. As a reminder, position statements should not be revised on the Assembly floor. If an Area Council/Group has an issue with a proposed position statement or with the JRC recommended action (revise, retire, retain), the Assembly can refer it back to the JRC.
